RE: Volunteer Hours of Students from Calgary Central Full Gospel Church

The Mustard Seed (Calgary) Street Ministry is a non-profit, Christian, humanitarian organization that responds compassionately to the needs of the inner-city's less fortunate through mobilizing and working with the church and the community.

Volunteers are integral partners of the ministry here at The SEED, and we value the time, expertise and service that each brings to our guests and the support they provide to staff. We believe and continually witness the fact that volunteering at The Mustard Seed adds incredible value to a life, those of the volunteers as well as those of our guests. Lives are changed, thereby changing our world. Students from Calgary Central Full Gospel Church volunteered at The SEED Foothills Shelter on May 1, 2010 volunteered from 9:00am – 12:00pm in the kitchen helping with prep of lunch and cleaning with our facilities department.

If you have any other questions, please feel free to contact me.
